3. What questions should CenCal Health address as part of its evaluation?

Instructions

- Using post-its, respond to questions 2 and 3, and place your responses on the wall
- Discuss!

CalAIM Implementation Reflections

1

What are some lessons from the first year of CalAIM implementation that we can apply in the future to promote collaboration and collective impact?

2

Where else do you think the CSC can provide guidance and input on CalAIM or other Medi-Cal transitions to CenCal Health in the future?
