\* These measures are not held to the California Department of Healthcare Services (DHCS) Minimum Performance Level, we use State Aggregate rates to determine goals

NA = There were minimal eligible members (< 30), which limited the statistical relevance of this measure

  
**Result is HIGHER than State Aggregate**

  
**Result is LOWER than State Aggregate**

  
**For measures where lower rate is better, the rate is BETTER than the State Aggregate**

  
**For measures where lower rate is better, the rate is WORSE than the State Aggregate**
