## **DHCS Medi-Cal Provider Screening and Enrollment**

Federal law requires that all CenCal Health-contracted providers are screened and enrolled in the Department of Health Care Services (DHCS) Medi-Cal Fee-for-Service Program, if applicable.

All CS Providers for whom a DHCS state-level enrollment pathway exists must enroll in Medi-Cal via the DHCS Provider Enrollment Division portal at <a href="mailto:pave.dhcs.ca.gov/sso/login.do">pave.dhcs.ca.gov/sso/login.do</a>. To create an account, click on the "Sign Up" button at the top right corner of the page.

A CS Provider may be a non-traditional provider type for whom there is no established credentialing pathway. In these instances, CenCal Health will verify the CS Provider's credentials through credentialing in addition to requiring any or all the following documents: applicable business or professional license, IRS Form 990, nonprofit status, and/or other documentation demonstrating official established business and/or individual entity.

Thank You,

Provider Services Credentialing Department
