Beginning January 1, 2018, federal law requires that all non-exempt providers of services to Medi-Cal recipients must be screened and enrolled as Medi-Cal providers by the Department of Health Care Services (DHCS). This is a requirement in addition to CenCal Health's onboarding and credentialing process. Please find more information about the Medi-Cal enrollment process on our website [here](#).

All provider credentialing applications are reviewed by the CenCal Health Credentials and Peer Review Committee or a Medical Director. To ensure timely processing of your application, please complete and return all documents listed above as soon as possible. Forms may be submitted in the following ways:
