How to Use This Directory

CenCal Health has two provider directories: One for residents of Santa Barbara County and one for residents of San Luis Obispo County. You may request that either or both provider directories be sent to you. To view these directories online, go to <http://www.cencalhealth.org/providerdirectory>

This directory is a list of health care providers in your county who are available to you as a CenCal Health member. This list is subject to change and we will tell you if the doctor you choose is no longer available. **All members should pick a doctor or clinic that will be their main doctor, called a Primary Care Provider (PCP).** You will find these doctors and clinics listed in the first section of the directory. Each member in your household can have a different PCP.

How to pick a PCP (Key to abbreviations used in this book)

- Choose a doctor or clinic in the area where you live. This makes it easier for you and your family to get care when you need it. If you have been getting care from a doctor, specialist or a hospital, you may have the right to keep your provider for a period of time if you have certain medical conditions. Please see your Member Handbook for more information or call Member Services.
- “ANP Santa Barbara: Yes” means this PCP is “accepting new patients” who live in Santa Barbara County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.
- “ANP San Luis Obispo: Yes” means this PCP is accepting new patients who live in San Luis Obispo County. You will also find the age range that this PCP is accepting. This is also important when choosing a PCP for your children. Some doctors and clinics see all ages, some just children and some just adults.
- “ANP Santa Barbara: No” means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.
- “ANP San Luis Obispo: No” means the PCP is not accepting new patients. In most cases, you need to have been a patient of this doctor within the last year in order to select them as your PCP. Call Member Services for approval or for more information at the phone number listed below.
- “Staff Language” - This gives the other language(s) spoken at that office or clinic. If you speak a language other than English, look for a doctor or clinic that can speak your language. Interpreter services are also available upon request by calling the number listed below.
- “Lang:” This gives the language(s) that the doctor speaks other than English.
- “Cert” lists any Board Certifications that the doctor has.
- “CC” indicates whether the doctor has had cultural competence training.
- “Hosp Affil” indicates the doctor’s hospital affiliations.

Specialty Providers

These are providers that you may use in addition to your PCP with a referral from your PCP. However, you cannot choose these providers as your PCP. Some specialty providers do not require a referral from your PCP first. These include acupuncturists, chiropractors, family planning providers, and gynecologists/obstetricians for well-women exams. Hospitals are also listed in here. Contracted specialists in both counties are available.

If you are pregnant, you will still need to choose a PCP. Your Obstetrician is not a PCP. A doctor or clinic specializing in Obstetrics and Prenatal Care will only treat you during your pregnancy; for all your other medical care you will need to see your PCP. Obstetrics are listed under Specialty Providers.

Mental health and Behavioral Health Treatment (ABA) services

A comprehensive list of mental health and ABA providers can be found in this directory. Members may select and contact a mental health provider for counseling or medication management services, or call us at 1-877-814-1861 for help picking a provider. ABA services require a pre-authorization from CenCal Health. Please discuss with your child's pediatrician whether ABA may be a medically necessary service. Some PCP clinics offer mental health services within the clinic's network. Talk to your PCP to find out if these services are available.

Enhanced Care Management (ECM) and Community Supports (CS)

Enhanced Care Management (ECM) is a new benefit for CenCal Health Members with complex needs. ECM provides extra services to help you get the care you need to stay healthy and at no cost to you. It coordinates the care you get from different doctors.

ECM helps coordinate:

- Primary care
- Acute care
- Behavioral health
- Developmental
- Oral health
- Community-based long-term services and supports (LTSS)
- Referrals to available community resources

The goal of ECM is to provide comprehensive care and achieve better health outcomes for our members with the highest needs.

The following symbols are used in our provider directory if the providers offers ECM Services:

POF 1	Homelessness	POF 2	High Utilizers
POF 3	SMI / SUD	POF 4	Justice Involved
POF 5	Inst / Long Term Care	POF 6	SNF / Community

POF 9	I / DD	POF10	Pregnant / Post Partum

POF 1 = Homelessness - Individuals Experiencing Homelessness

Community Supports (CS) are services for Medi-Cal members that may not include direct medical care. CenCal Health offers CS to help members with complex health issues. These health issues are often caused or made worse by lack of food, housing, or transportation.

Community Supports services are designed to help members avoid:

- Hospital admissions
- Nursing facility admissions
- Discharge delays
- Emergency department use

Community organizations and providers will usually provide CS services. CenCal Health offers the following Community Supports:

- Day Habilitation Programs
- Housing Deposits
- Housing Tenancy and Sustaining Services
- Housing Transition Navigation Services
- Medically Tailored Meals
- Personal Care and Homemaker Services
- Recuperative Care
- Respite Services
- Short-Term Post-Hospitalization Housing
- Sobering Centers

ECM and CS require prior authorization. Both programs are limited to members who meet specific eligibility criteria.

Information for Seniors and Persons with Disabilities

Cómo Usar Este Directorio

CenCal Health tiene dos directorios de proveedores: Uno para los residentes del condado de Santa Bárbara y el otro es para los residentes del condado de San Luis Obispo. Usted puede pedir que le envíen uno o ambos directorios de proveedores. Para ver estos directorios en línea de internet, visite www.cencalhealth.org/providerdirectory.

Este directorio es una lista de proveedores de cuidado de salud en su condado que están disponibles para usted como miembro de CenCal Health. Esta lista está sujeta a cambios y nosotros le informaremos si el médico que eligió ya no está disponible. **Todos los miembros deben elegir un médico o una clínica que será su médico principal, llamado Proveedor de Cuidado Primario (PCP por sus siglas en inglés).** Usted encontrará estos médicos y clínicas en la primera sección del directorio. Cada miembro en su hogar puede tener un PCP diferente.

Cómo elegir un PCP (la abreviación de PCP se usará en este libro)

- Elija un médico o una clínica en el área donde usted vive. De esta manera será más fácil que usted y su familia obtengan atención médica cuando la necesite. Si ha estado recibiendo atención médica de un médico, especialista u hospital, es posible que tenga derecho a continuar con este proveedor por un periodo de tiempo si tiene ciertas condiciones médicas. Por favor refiérase a su Manual para Miembros para obtener más información o llame a Servicios para Miembros.
- Las palabras “ANP Santa Bárbara: Yes” significan que el PCP está aceptando pacientes nuevos que viven en el condado de Santa Bárbara. Además, encontrará las edades que este PCP está aceptando. Esto también es muy importante cuando elija a un PCP para sus hijos. Algunos médicos o clínicas

aceptan miembros de todas las edades, pero otros solamente aceptan a niños y otros solamente a adultos.

- Las palabras “ANP San Luis Obispo: Yes” significan que el PCP está aceptando pacientes nuevos que viven en el condado de San Luis Obispo. Además, encontrará las edades que este PCP está aceptando. Esto también es muy importante cuando elija a un PCP para sus hijos. Algunos médicos o clínicas aceptan miembros de todas las edades, pero otros solamente aceptan a niños y otros solamente a adultos.
- Las palabras “ANP Santa Barbara: No” significan que el PCP no está aceptando pacientes nuevos. En la mayoría de los casos, para poder seleccionar a este médico como su PCP, necesita haber sido un paciente de este médico durante el último año. Llame al número de teléfono que se indica a continuación para hablar con Servicios para Miembros para pedir una aprobación u obtener más información.
- Las palabras “ANP San Luis Obispo: No” significan que el PCP no está aceptando pacientes nuevos. En la mayoría de los casos, para poder seleccionar a este médico como su PCP, necesita haber sido un paciente de este médico durante el último año. Llame al número de teléfono que se indica a continuación para hablar con Servicios para Miembros para pedir una aprobación u obtener más información.
- “El idioma que habla el personal” – Esto indica el idioma(s) que hablan en la oficina o clínica. Si su idioma principal no es inglés, busque un médico o clínica que hable su idioma. También están disponibles servicios de intérprete, los puede pedir llamando al número mencionado abajo.
- “Leng:” indica el idioma(s) que habla el médico aparte de inglés.
- “Cert” indica cualquier certificación del comité de proveedores que tiene el médico.
- “CC” indica si el médico ha recibido entrenamiento en competencia culturales.
- “Afil Del Hosp” indica hospital(es) donde está afiliado el médico.

Proveedores por Especialidad

Estos son los proveedores de salud con quien usted puede acudir, aparte de su PCP, con un pase de su PCP. Sin embargo, usted no puede elegir a estos proveedores como su PCP. No necesita obtener un pase de su PCP para ciertos especialistas. Estos incluyen acupuntura, quiroprácticos, planificación familiar y ginecología/obstétricos para exámenes de bienestar de la mujer. Hospitales también están anotados aquí. Especialistas contratados en ambos condados están disponibles.

Si usted está embarazada, usted tendrá que seleccionar un PCP. Su Obstétrico no es un PCP. Un médico o clínica que se especialice en obstetricia y cuidado prenatal puede tratarla durante su embarazo; para todo otro cuidado médico usted tendrá que acudir a su PCP. Los obstétricos están anotados bajo Proveedores por Especialidad.

Servicios de Salud Mental y del Comportamiento (ABA)

Puede encontrar una lista completa de proveedores de salud mental y del comportamiento (ABA por sus siglas en inglés) en este directorio de proveedores. Los miembros pueden seleccionar y comunicarse con un proveedor de salud mental para recibir asesoramiento, servicios de administración de medicamentos o puede llamar al (877) 814-1861 para obtener ayuda para elegir un proveedor. Los servicios de salud conductual (ABA) requieren una autorización previa de CenCal Health. Por favor hable con el pediatra de su hijo(a) para confirmar si los servicios de salud conductual que necesita, es un servicio médicamente necesario. Algunas clínicas de PCP ofrecen servicios de salud mental y conductual dentro de la red de la clínica. Hable con su PCP para averiguar si estos servicios están disponibles.

Administración de la Atención Mejorada (ECM) y Servicios de Apoyo Comunitarios (CS)

Administración de la Atención Mejorada (ECM por sus siglas en inglés) es un nuevo beneficio para los miembros de CenCal Health con necesidades complejas (complicadas). ECM proporciona servicios adicionales para ayudarle a obtener la atención que necesita para mantenerse saludable y sin costo alguno para usted. Este programa ayuda a coordinar la atención que recibe de diferentes médicos.

El programa ECM ayuda a coordinar:

- Atención primaria
- Atención aguda
- Salud conductual (comportamiento)
- Salud del desarrollo
- Salud oral
- Los servicios y apoyos a largo plazo basados en la comunidad (LTSS por sus siglas en inglés)
- Referencias a los recursos comunitarios disponibles

El objetivo de ECM es brindar atención integral y lograr mejores resultados de salud para nuestros miembros con mayores necesidades.

Los servicios de Apoyo Comunitarios (CS) son servicios para miembros de Medi-Cal que pueden no incluir directamente atención médica. CenCal Health ofrece Apoyos Comunitarios para ayudar a miembros con problemas de salud complejos (complicados). Estos problemas de salud a menudo son causados o pueden empeorar por falta de alimentos, vivienda o transporte.

Los servicios de Apoyo Comunitarios están diseñados para ayudar a los miembros a evitar:

- Admisiones de hospital
- Admisiones en centros de enfermería
- Demorar(atrasar) de ser dado de alta
- Uso del departamento de emergencias

Las organizaciones comunitarias y los proveedores generalmente brindarán servicios de apoyo comunitarios. A partir del 1 de julio de 2022, CenCal Health ofrece los siguientes apoyos comunitarios:

- Comidas/Alimentos Médicamente Adaptados

- Atención Recuperativa

ECM y CS requieren autorización previa. Ambos programas están limitados a los miembros que cumplen con los criterios específicos de elegibilidad.

Información para Personas Mayores y Personas con Incapacidades

Este directorio de proveedores contiene información sobre los proveedores de CenCal Health que le ayudaran a satisfacer sus necesidades; tal como el lugar, especialidad, acceso físico, y lenguaje. Cada proveedor anotado en la lista, indicará que tipo de acceso tiene la oficina del médico o el establecimiento, tal como lo siguiente:

Niveles de Acceso

Acceso básico: Significa que la oficina del médico o el establecimiento tiene acceso para los miembros con incapacidades en su estacionamiento, edificio, elevador, consultorio, sala de examen, y baño (P, EB, IB, R, E y T).

Acceso limitado: La oficina del médico o el establecimiento tiene acceso para los miembros con incapacidades, pero no tiene uno o más de lo siguiente: estacionamiento, acceso al edificio, elevador, consultorio, sala de examen y baño (P, EB, IB, R, E y T).

Códigos de accesibilidad: Los siguientes símbolos se utilizan si la oficina del proveedor tiene acceso especial para personas con incapacidades.

P	Estacionamiento	EB	Exterior del edificio	IB	Interior del edificio
R	Baños públicos	E	Sala de examen	T	Camilla de examen / Báscula

P = Estacionamiento

Hay estacionamientos y espacios accesibles para camionetas grandes. Las entradas (vías) tienen rampas de borde dentro de la zona del estacionamiento, oficina, y el área para dejar a las personas.

EB = Exterior del edificio

Las rampas de borde y otras rampas hacia el edificio no son demasiado largas. Las rampas están bastante anchas para permitir el acceso de una silla de ruedas o silla eléctrica (scooter). Hay un barandal (pasamanos) a los dos lados de la rampa. El edificio tiene una entrada accesible. La abertura de la puerta es suficientemente ancha para permitir el acceso a una silla de ruedas o una silla eléctrica, y tienen agarraderas fáciles de usar.

IB = Interior del edificio

Los pasillos son lo suficientemente anchos para permitir el acceso a una silla de ruedas o una silla eléctrica. Las escaleras, si las hay, tienen pasamanos. Si hay un elevador, puede usarse en todo momento cuando el edificio esté abierto. El elevador tiene sonidos fáciles de oír y botones Braille fáciles de alcanzar. El elevador tiene espacio suficiente para que se dé vuelta una persona en silla de ruedas o silla eléctrica. Si hay ascensor con plataforma, se puede usar sin ayuda.

R = Baños

Las puertas del baño público son lo suficientemente anchas para permitir el acceso a una silla de ruedas o silla eléctrica. El baño público tiene suficiente espacio para que la silla de ruedas o silla eléctrica pueda dar la vuelta, y la persona pueda cerrar la puerta. Hay pasamanos que le permiten fácilmente transferirse de la silla de ruedas al asiento del baño. Es fácil llegar al lavamanos, las llaves del baño, jabón, papel higiénico, y son fáciles de alcanzar y usar.

E = Sala de examen

Las puertas de los cuartos de exámenes son lo suficientemente anchas para la silla de ruedas o silla eléctrica. La sala de examen tiene bastante espacio para que una persona en silla de ruedas o silla eléctrica se pueda dar la vuelta.

T = Camilla de examen/Báscula

La camilla de examen se mueve hacia arriba y hacia abajo y tiene bastante espacio para poder poner una silla de ruedas o silla eléctrica al lado. Los pacientes con silla de ruedas o silla eléctrica pueden usar la báscula.

El Departamento de Servicios para Miembros de CenCal Health está aquí para ayudarle con cualquier pregunta o inquietud que usted pueda tener acerca de sus beneficios de Medi-Cal. Si necesita ayuda obteniendo cuidado médico o tiene preguntas acerca de la oficina del proveedor y su accesibilidad, por favor llame a la oficina de su médico. El Departamento de Servicios para Miembros está disponible de lunes a viernes de 8 a.m. a 5 p.m.; usted se puede comunicar con nosotros al número 1-877-814-1861 [con el servicio de retransmisión de California al 711].

¿A quién llamar?

Si usted está experimentando una emergencia médica, por favor llame al 911 o acuda a la sala de emergencias más cercana. Una emergencia es un hueso quebrado, dificultad para respirar o para orinar, pérdida del conocimiento (desmayo) u otras condiciones que podrían conducir a la muerte o discapacidad.

Cuando usted o su niño necesita un chequeo (cuando no está enfermo)

Llame a su PCP o al PCP de su niño para hacer una cita. Pregunte a la oficina qué atención preventiva se necesita. Si necesita transportación a la cita, llame a Servicios para Miembros al 1-877-814-1861 [con el servicio de retransmisión de California al 711].

Cuando usted o su niño esté enfermo

Llame a su PCP. Si la oficina de su PCP está cerrada, habrá servicio telefónico las 24 horas y un médico le regresará su llamada. Si se requiere cuidado médico urgente y la oficina de su PCP está cerrada, visite www.cencalhealth.org/afterhours para ver una lista de proveedores que proveen cuidado urgente después de las 5 p.m. y durante los fines de semana. También puede llamar a nuestra Línea de Consejos de Enfermera al número libre de cobro al 1-800-524-5222, las 24 horas al día, siete días a la semana. Vaya a la sala de emergencia de un hospital si usted cree que tiene una verdadera emergencia, o si su médico le dice que vaya a la sala de emergencia.

Si usted está embarazada

Haga una cita con un proveedor obstétrico. Es importante que vea al médico lo más pronto posible al comenzar su embarazo. Usted también podrá obtener servicios adicionales bajo el programa Comprensivo de Servicios Perinatales y recibirá asesoramiento y educación sobre la nutrición.

Si necesita una prueba de embarazo, métodos anticonceptivos, o asesoramiento de planificación familiar

Llame a un proveedor anotado bajo Planificación Familiar y Asesoramiento o llame a su Proveedor de Cuidado Primario. Haga una cita con un proveedor obstétrico.

Si necesita medicamento

La mayoría de los medicamentos recetados ahora son la responsabilidad del nuevo programa, Medi-Cal Rx, y no de CenCal Health. Si tiene preguntas sobre cómo obtener sus medicamentos y qué farmacias tienen contrato con el programa de Medi-Cal Rx, llame al 1-800-977-2273.

Si necesita mirar a un dentista

Los beneficios dentales no se proporcionan a través de CenCal Health. Llame al programa dental de Medi-Cal al número de teléfono libre de cobro, 1-800-322-6384 [las personas con problemas auditivos deben llamar a la línea TTY al 1-800-735-2922], o visite www.dental.dhcs.ca.gov, para obtener los nombres y lugares de los dentistas aprobados por Medi-Cal y más cercanos a usted.

Si tiene síntomas de salud mental

Para obtener servicios de salud mental, llame a uno de los proveedores anotados en la sección de Salud Mental de este directorio de proveedores. Si está en crisis, llame al 911. También puede llamar a CenCal Health si necesita ayuda obteniendo un proveedor de salud mental adecuado para usted, al número de teléfono, libre de cobro al 1-877-814-1861.

Si tiene un problema por sustancias o tiene una crisis de salud mental

Si tiene problemas severos o una crisis de salud mental, o preocupaciones sobre el abuso de sustancias, comuníquese con el Departamento de Salud Conductual del Condado o llame al 911:

- Santa Barbara County Department of Behavioral Wellness (Departamento de Comportamiento de Bienestar del condado de Santa Bárbara) 1-888-868-1649

- San Luis Obispo County Department of Behavioral Health (Departamento de Comportamiento de Salud del condado de San Luis Obispo) 1-800-838-1381
 - www.slocounty.ca.gov/Departments/Health-Agency/Behavioral-Health

Si necesita mirar a un especialista

Para poder mirar a un especialista, necesita un pase de su Proveedor de Cuidado Primario. Estos son los proveedores de salud con quien usted puede acudir, aparte de su PCP, con un pase de su PCP. Sin embargo, usted no puede elegir a estos proveedores como su PCP. No necesita obtener un pase de su PCP para ciertos especialistas. Estos incluyen acupuntura, quiroprácticos, planificación familiar y ginecología/obstétricos para exámenes de bienestar de la mujer. Farmacias y hospitales también están anotados aquí.

Acuérdese de siempre llevar con usted su Tarjeta de Identificación de CenCal Health y presente la tarjeta a su proveedor cada vez que reciba servicios de cuidado de salud. Para recetas de medicamentos, deberá presentar su

Tarjeta de Identificación de Beneficios (BIC por sus siglas en inglés) en la farmacia. Si tiene preguntas sobre sus recetas, llame a Medi-Cal Rx al 1-800-977-2273.
