Topical Fluoride for Children - Dental Services (Rate 2)	4.02	17.03	↑	14.81	↑	
Topical Fluoride for Children - Oral Health Services (Rate 3)	0.75	5.07	↑	2.85	↑	

* These measures are not held to the California Department of Healthcare Services (DHCS) Minimum Performance Level. CenCal Health uses State Aggregate rates to determine threshold. For awareness, the Aggregate rate should not be our actual goal.

NA = There were minimal eligible members (< 30), which limited the statistical relevance of this measure.

Result is HIGHER than State Aggregate

Result is LOWER than State Aggregate

For measures where lower rate is better, the rate is BETTER than the State Aggregate

For measures where lower rate is better, the rate is WORSE than the State Aggregate
